Feature enhancements / roadmap	—	18.0	19.0	20.0	21.0	78.0
Contingency (10%)	19.5	9.9	10.3	10.7	11.1	61.5
Total	214.5	108.9	113.3	117.7	122.1	676.5

ASSUMPTIONS

- Scale: 40 facilities (28 academies + 12 PECs), statewide rollout in Year 1.
- ~5% year-on-year escalation on recurring lines from Year 2.
- Third-party fees (Firstbeat/Myoact/DigiLocker) are placeholders — actual figures depend on per-athlete licensing terms not yet negotiated.

NOT INCLUDED

- Hardware for biometric devices at academies (procured separately by BSSA/districts).
- Department staff salaries — this covers the platform only, not personnel.
- GST and other statutory levies.

BEFORE THIS GOES INTO ANY BUDGET DOCUMENT

Every figure above is a planning placeholder built from typical Indian gov-SaaS cost ranges, not a quote from any vendor. Replace each row with a confirmed number from your cloud provider, Firstbeat/Myoact, and your implementation partner before this is submitted for sanction.
